

Company Profile

Moving Energy. Powering Trust.

About us:

Connected to the oil sector, GASCAP is an Angolan company, fully owned by Angolan capital. It is dedicated to providing integrated and innovative solutions for all types of businesses small, medium, and large. Certified by the register office of Luanda, with the Tax Identification Number: 5001384627.

We have a team of highly qualified professionals with a versatile approach, offering our clients a wide range of products and solutions tailored to their specific needs.

Mission

“Develop and implement a procurement management system that is both efficient and strategically aligned, ensuring full Integration with each client’s operational goals. This includes supplier assessment and selection, cost-benefit analysis, risk mitigation, contract negotiation, and continuous performance monitoring, thereby delivering tailored solutions that maximise value, reduce waste, and support long-term business sustainability.”

Vision

To become a reference company in the bunker industry in Angola, standing out through long-lasting, high-quality work that earns the trust of our clients and fosters enduring partnerships.

Values

- **Integrity:**
We act with honesty, transparency, and responsibility, ensuring that all our decisions adhere to ethical and legal principles.
- **Proactivity:**
We act with initiative, anticipating needs and offering effective solutions, demonstrating a commitment to excellence and continuous improvement.
- **Trust:**
We build strong and lasting relationships with our clients, partners, and team members, based on reliability, mutual respect, and the fulfilment of commitments.
